I also agree to submit requests to the Daiichi Sankyo/American Regent IV Iron Patient Assistance Program on behalf of my patient so that his or her eligibility can be evaluated to determine access to various assistance programs.

I authorize service providers supporting Daiichi Sankyo Access Central to share information about me with each other. I recognize that this type of personally identifiable information (PII) could include spoken or written facts about my health or healthcare or copies of records about my health and insurance benefits provided by my healthcare provider(s) or health plan. My decision to sign this form (or not to sign this form) will not affect the treatment I receive from any healthcare professional or entity involved in my care or coverage.

### Use of Personal Information

I understand that the service providers could use or provide my information in one or more of the following ways:

- Assess my eligibility and assist with my enrollment in a Daiichi Sankyo/American Regent support program, including the Injectafer Savings Program or the IV Iron Patient Assistance Program, and contact me (and/or my legal representative) about my eligibility and enrollment status

In some instances, the service providers may de-identify my information and use or disclose the de-identified information (in individual or aggregated form) for any legitimate business purposes. I understand that the service providers will make reasonable efforts to keep my information private; however, I understand that once my information has been disclosed to the service providers, how the service providers further disclose my information may no longer be protected under federal and state privacy laws. I understand that the IV Iron Patient Assistance Program is a component of Daiichi Sankyo, Inc. and American Regent, Inc.
